

Hello Valley View Members,

The Valley View golf club is instituting a Club Championship. The Valley View Club Championship will be similar to the PGA's FedEx Cup, where you earn points for participating in events. Points will be earned for both weekly and monthly events. This will be a net and gross championship. The monthly events will be weighted more heavily. The season will be January through October with the Valley View Annual serving as the final event. To qualify for the final event of the Club Championship you must have a chance to tie 3rd place either gross or net.

Please note, if you do not qualify for the Valley View Club Championship this does not mean you still cannot win the Valley View Annual!

Gross and Net winners will receive:

1st place - Entry into the Valley View Annual or membership

2nd place - Round of golf on the club

3rd place - Entry into the POT on the club
